MIT Road Maps General

This course has been inspired by and partly adapted from the excellent Road Maps course from the system dynamics group of J. W. Forrester, Sloan School of Management, Massachusetts Institute of Technology ERROR: Zotero entry with cite key Forrester1998 not found.. This is especially the case for some working sheet structures and reading suggestions of the introductory sessions.

MIT Road Maps Worksheet

The worksheet has been inspired by and adapted from ERROR: Zotero entry with cite key Forrester1998 not found..

Bossel General

Most of the models and parametrization are taken from another yet equally excellent book series called System Zoo and has been written by H. Bossel ERROR: Zotero entry with cite key Bossel2004a not found., ERROR: Zotero entry with cite key Bossel2004b not found. and ERROR: Zotero entry with cite key Bossel2004c not found..

Bossel Model

The model and parametrization are taken from ERROR: Zotero entry with cite key Bossel2004 not found., all models of the books can be downloaded from [CESR](#).
